## **ABOUT ARROWVILLE CONSULTING**

Arrowville Energy Limited was incorporated to provide high quality technical procurement and environmental and training consultancy services to major companies in the oil and gas sector. Although it is a recently-established company, its Board of directors and consultants consist of individuals with a wealth of experience and expertise in their various fields. ARROWVILLE CONSULTING is a division of ARROWVILLE ENERGY LIMITED. It was created to offer short programmes in management to all other sectors of the economy. The Writing and Speaking Skills Workshop for Middle-Level Management Staff is being run under the division, Arrowville Consulting.

## **ABOUT LASU CONSULTS**

LASU Consult is a limited liability company which offers, among other things, human capital development and certificate programmes. It draws on the expertise and experience of Lagos State University teaching staff to provide high quality manpower development programmes to a wide range of organizations and institutions.

## **OBJECTIVE**

It may be said that business can be lost and won through poor and excellent communication skills. The internal efficiency of companies and the image such companies project to society and potential customers are largely dependent on the communication skills of their staff. The objective of the workshop is to enable middle-level staff of organizations in Nigeria to perfect their communication skills. The programme may be considered the most effective writing and speaking skills workshop in Nigeria by virtue of the exceptionally high calibre of its resource

persons and their total commitment to the improvement of the communication skills of participants.
